# Texas Two-Steppin' Trek FAQ

## 1. *Why aren't park tickets covered in the cost?*

We chose not to include the park entry fees to keep the price reasonable and to eliminate registration confusion for those that have season passes and those that don't. We recommend that you purchase a Six Flags season pass prior to the trip since 2 of the 5 parks will be Six Flags affiliated. This will help ease some of the costs to get into the parks.

## 2. *Can we tag along with the van and drive our own cars?*

Due to the size of the van, we will limit participants to 10 people per van (occupancy of van is 15 passengers). We chose to cut this number so there would be ample room for everyone's gear and optimal comfort. Of course, you are always welcome to drive your own vehicle as long as you fulfill our age requirements, the van is full, and you understand that for liability reasons you will NOT be covered under the trip insurance that van riders will have.

## 3. *Will there be any ERT or special meals at the parks?*

To conserve money and time, there will be NO scheduled ERT or special meals at the parks. That doesn't mean that there might not be any surprises though!

## 4. *Where will the trip originate? Where will we meet up to begin the trip?*

Meet times and locations will be worked out once all of the participants have signed up. At the moment, it looks like the trip will begin in the Memphis, TN area and we will meet at the home of our founder, Chris Godsey and start driving from there. The van trip will originate and end in the same location.

## 5. *Any other side trips planned to other parks?*

At the moment, no side trips or park visits are scheduled. The current agenda might change due to park closings, weather, and other unavoidable circumstances.

## 6. *How will the payments work? Is the deposit refundable?*

We will be setting up multiple payment options to make it easier to participate. We will accept checks or money orders, as well as online payments via 2checkout.com. The initial deposit of \$125.00 will reserve your spot on the trip and is refundable until March 15<sup>th</sup>. The balance of the trip can be paid off at your leisure between January 15<sup>th</sup> and May 1<sup>st</sup>. Payments will also be set up via paypal so you may send as little as you want towards your trip. Remember, your trip MUST be paid off by May 1<sup>st</sup> so we may make the appropriate reservations.

## 7. *What are the age requirements?*

All participants must be at least 18 years old to travel alone. A parent must accompany any participant under the age of 18. This trip is being geared towards adult riders. If you are not considered an adult by any theme park we will be attending, it is not recommended that you attend this year's trek. A special note on ages: Those who are perpetually children at heart are encouraged to attend, it will make for a much more interesting trip.

## 8. *Is there anything else I should know?*

I am sure there is plenty more to cover and these items will be discussed with the participants after the registration deadline. Details will be given as soon as they are available. If you have any questions, feel free to email us at [info@rideworld.com](mailto:info@rideworld.com).
